

ARCHEWORKS 2005 HAUS PARTY

On Friday, May 13, Archeworks hosted a Gala Benefit honoring Judith Neisser for her munificent commitment to philanthropy, her generous moral support, and her enduring belief in ethical design.

The 2005 Archeworks Haus Party held at the Chicago Architecture Foundation in the Santa Fe Building featured a live auction with 21 drawings by world-renowned architects and designers.

Co-Founders Stanley Tigerman and Eva Maddox made a presentation to Judy Neisser, honoring and thanking her for her support of Archeworks since its inception and announced that the Archeworks building would be dedicated Archeworks Neisser Hall at a future ceremony.

Ford Fashion Models mingled throughout the party wearing prototypes from the 2004-2005 Archeworks "Bicycle Helmet Redesign" Project. The cocktail hour featured Damrak Gin Signature Cocktails "The ArcheTini" and the "Haus Cocktail."

The JNL graphic design fashioned decorations and centerpieces that highlighted the Archeworks helmets. Caterer Jewell Events created a menu with presentations that reflected the Bauhaus theme.
